

# BUDWOOD PRICE LIST

## **BUDWOOD PRICES FOR UNITED STATES:**

REGISTERED \$ .50 per eye  
REGISTERED INCREASE \$ .35 per eye

(Please see below for additional Royalty & License fees)

## **BUDWOOD PRICES FOR EXPORT (Outside the United States):**

REGISTERED & REGISTERED INCREASE \$ .50 per eye

(Please see below for additional Royalty & License fees)

*Please Note: Registered & Registered Increase budwood regulations apply to California users only.*

**REGISTERED BUDWOOD** is budding or grafting materials obtained from the registered parent tree. This stock is eligible for growing registered increase stock for up to 18 months from the date budded.

**REGISTERED INCREASE BUDWOOD** is from nursery trees that were propagated directly from registered parent trees. Buds obtained as registered increase material can be used in nurseries to grow certified nursery trees. California Department of Food & Agriculture Registration program forbids further propagation from this point.

## **PATENTED & LICENSED VARIETIES**

An additional fee will be added to the per-eye price on the following varieties:
