

Nursery & Landscape Professionals

Special Services

Willits & Newcomb understands the importance of product awareness for your employees and your customers. Our “Citrus Variety Guides” are given to all your stores with deliveries or upon request. This bright and useful guide contains a bounty of information including; variety descriptions, planting guide, seasonal ripening chart, watering tips and much more!

Your buyers can reach us on a toll free number: 800-889-5370

Variety information is available on our website under Products and Services/Farm Trees/ Varieties.

Willits & Newcomb, Inc. is more than just a source for citrus trees. WN is a partner in sales.
